## **Welcome to the 40<sup>th</sup> NR Golf Classic**

This year is the final NRDGA Golf Classic.

The Classic was established in 1971 to provide the NRDGA with the funds to cover the cost of sending a team each year to Country Week.

It grew from a four day event for men into the largest golf tournament in Australia with thirteen days of golf on separate courses for men and women.

Competition from Veterans Weeks of Golf have depleted classic fields. These Weeks Of Golf events are advertised on the NSWVGA website.

In 2010 Ballina joins Yamba, Maclean, Coolangatta Tweed and Murwillumbah in hosting a Veterans' Week of Golf.

### **The Future :**

The NRDGA is looking to promote a Mens Open event that incorporates a Northern Rivers Seniors Open Championship.
